## Nothing else matters.

Metallica

Mi- Re Do  
So close no matter how far  
Mi- Re Do  
couldn't be much more from the heart  
Mi- Re Do  
forever trusting who we are  
Sol Si7 Mi-  
and nothing else matters.

Mi- Re Do  
Never opened myself this way  
Mi- Re Do  
life is ours, we live it our way  
Mi- Re Do  
all these words I don't just say  
Sol Si7 Mi-  
and nothing else matters.

Mi- Re Do  
Trust I seek and I find in you  
Mi- Re Do  
every day for us something new  
Mi- Re Do  
open mind for a different view  
Sol Si7 Mi- Do La  
and nothing else matters.

Re Do La  
Never cared for what they do  
Re Do La  
never cared for what they know  
Re Mi-  
but I know.

Mi- Re Do  
So close no matter how far  
Mi- Re Do  
couldn't be much more from the heart  
Mi- Re Do  
forever trusting who we are  
Sol Si7 Mi- Do La  
and nothing else matters.
